

We See Yah...

Blessed art thou oh YHUUH our Elohim, King of the Universe...

We serve ONE King...Yah. ONE Mighty one.. .

Maker and creator of the world, land, & sky.

The Mighty One of Abraham, Isaac, and Jacob. The God of the Hebrews and beside you there is NO OTHER.

You WERE, you ARE, and you will always BE...

In Adam we see our design and the craftsmanship of Yah

In Noah we see our obedience in Yah

In Abraham we see our Journey in Yah

In Isaac we see our Promise in Yah

In Jacob we see our Nation in Yah

In Moses we see our Blessed Covenant and Righteousness in Yah

In Joshua we see our Deliverance in Yah

In Ester we see our Favor in Yah

In David we see our Love, Devotion, & our Passion for Yah

In Solomon we see our Temple, our House of Worship in Yah

In Isaiah we hear the voice of Yah

In Ezekiel we see our gathering back to Yah and the re-building of the Temple of Yah

In Joel we see the future Day of Yah, and may we blow the trumpet and sound the alarm.

In Zechariah we see the City of Yah, the battle of Yah, and the triumphant feet of Yah...as they stand on Mt. Olivet...and in that Day there shall be ONE KING over all the earth and His name ONE...Yah

Come, Oh YHUUH, and establish your Kingdom...Tear down, pluck up and may your set apart Law go forth again from Zion.

Burn the Mountain tops again, and may the world see it and tremble.

Carve your Laws down deep in our hearts and minds that we may forever see them and do them. And may all know your will...from the youngest to the oldest.

Make twisted ways straight again, bring water to this desert, re-build your highway of holiness, and may we set our eyes on Israel and Jerusalem.

And may all nations be taught your ways by your holy seed.

This is our prayer... and this is our hope!
